

Tacoma-Pierce County Chaplaincy invites you to attend the

2019 Chief and Chaplain Luncheon

Tuesday April 9th at 12:00pm

This year, we will be conducting a review of Peer Support & CISM team best practices. Our goal is to ensure that each department understands when and how to utilize these tools to effectively aid their personnel in recovering from critical incidents. **We are targeting the Chief, the Peer Support Lead and the Lead Chaplain as our audience for the luncheon.**

Our featured speaker will be Mike Washington. Mike is a retired Marine and a Seattle Firefighter who has years of experience with Peer Support and CISM activities. Mike has seen first-hand how a First Responder's career and life can be impacted through the effective use of these tools. For more on Mike's background, click on the link below or paste it to your browser.
